

St. Matthews Congregational Volunteer Survey

Whether you're a first-generation member, fifth generation or somewhere in the middle, St. Matthews is richly blessed with generous members giving of their time, talents and treasure. As St. Matthews is blessed, so is the community we serve. It has been a long time since we've surveyed the congregation about how they would like to volunteer, so it seems only fitting that we reach out with a survey to update our volunteer list.

Pages two and three has a list of volunteer activities that we'd like you and your family to read and think about. When you see a volunteer activity that you'd be interested in helping out with, simply jot your name beside the activity. We included an 'other' activity for initiatives not listed. There is space for two names per activity - if you need more space, just jot down the name elsewhere and be sure to clearly indicate the activity. Perhaps your friend group has similar interests to you - they're more than welcome to join you or come on their own. And note that not all volunteer activities need to be completed at St. Matthews.

When you've completed your survey, please return it to the church office or place on the offering plate on Sunday morning. We shall update our records and will be in touch with you as opportunities surface.

Volunteer work at St. Matthews saves tens of thousands of dollars annually, helps us to continue our mission and is a rewarding way to invest some time. Do as much or as little as you feel willing and able to do.

Thank you for your time to complete and return the survey.

Your first and last name: _____

Your occupation, skills and interests: _____

Your preferred phone number: _____

Your email address: _____

Names, occupation, skills/interests & contact information for others that you've listed in the survey:

	Yes, I'm interested	Yes, I'm Interested
