**Prepare the Way of the Lord** is the overarching theme for the Season of Advent and also for this special Advent Carol Service. What are things other people are doing to prepare the coming of the Lord? What are you doing? What does preparing for Christmas and the Nativity of our Lord mean for you, esp. in 2021?

**Welcome to worship this morning**, whether you are joining us in person or via the Golden Hour. In these pandemic times, worship will feel a lot different from normal, but it is still worship, and God is with us no matter what.

**St. Matthews’ new harpsichord.** You may have noticed a new keyboard instrument at the front of the Sanctuary that will be played today. It is a harpsichord built in 1970 by Sabathil & Son Ltd., of Vancouver/Bowen Island, British Columbia. It was recently donated to the music program at St. Matthews to encourage early music in worship as well as performances by chamber groups from the wider community.

**Church Fire Plan** For everyone’s awareness, a copy of the Church Fire Plan for safe exit from the Sanctuary appears in the back of the worship books. Please take a moment to review for your own safety.

## General Announcements

**Annual Budget Meeting** will be held in-person (only) after worship on Sunday, December 5th. All members should attend if possible.

**The church office is open!** Leanne is back on-site full-time and the office is open weekdays by appointment only. Call the church office (519-742-0462 x 10) or email [lvanderhout@stmattskw.com](mailto:lvanderhout@stmattskw.com) to make arrangements for your visit. Please be advised that there are room capacities in place for meetings, and distancing and masks are required. Please note, the office will be closed Mondays for the remainder of 2021, and December 24-31. For full office re-opening policies and procedures please call or email Leanne.

**2022 Boxed Offering Envelopes** will be available for pickup from December 5, 2021 until January 9, 2022 in the Sanctuary basement by the contact tracing area. Any offerings received in a 2022 envelope during 2021 will be held until 2022 for processing. After January 9, please go to the church office during office hours, Mon.-Fri., 10 am-noon & 1-3 pm for your box. We appreciate your cooperation in taking your box as soon as possible. If you have any questions, please contact the office.

**Simplified Guides to Worship.** You may have noticed our Guides to Worship look a little different! Starting the new Church Year (Nov. 28th), the guide covers we have been using for many years are no longer able to be purchased. The Worship and the Arts Committee decided to opt for a simpler and slimmer design. As we have excellent lectors, it was found that we do not need the readings printed in the Guides. The readings of Scripture in worship are meant to be heard communally, and not read individually. Furthermore, the costs of purchasing the covers will be saved.

If you would still like to follow along with the readings, there are Bibles available to borrow at the back of the Sanctuary (pulpit side), or you may consider one of many smartphone apps that contain the NRSV translation which we use in worship (such as "Olive Tree"). Any Congregational Psalms will be printed within the Guides.

**Need to use the lift?** The lift is usable at this time for those who need it to better access the Sanctuary main level. I personally contacted all lift users I was aware of, but just to clarify: the Church Street door is locked on Sunday mornings. If you know you are coming ahead of time, you can send the office (emails not checked on weekends) or pastors an email heads-up, or call the pastors to let them know to expect you.

If you decide Sunday morning to come to church, you can pull up to the basement tower door and alert the usher to the fact that you will need the lift. They will then let the building monitor know to greet you and help you enter. You can do your screening and contact tracing directly yourself by signing yourself in at the "Lift Contact Screening Binder" (you do not need to go to the coat rack area), and then use the lift.

You can see a visual of the binder's location at the 4:50 minute mark of the Re-opening video <https://www.youtube.com/watch?v=VgYNZeeWymw&t=118s> (via our website). If you have any questions, please let me know! Pastor Sebastian.
